INSPIRED DESIGNS FOR COMMERCIAL ENVIRONMENTS™

Founded in 1926, Mill Distributors, Inc. is a fourth generation, family-owned business. We provide inspired designs for commercial environments. Our client base includes the hospitality industry, healthcare industry, higher education, restaurants, country clubs, and government institutions. After passing rigorous standards, Mill Distributors, Inc. has consistently been awarded a Federal G. S. A. Contract for over 42 years.

One of the largest inventories of bed, bath and table linens in the country is maintained in our warehouses to afford a quick delivery of these products. Most of the linen items ship the same day the order is received. Mill Distributors can tailor a custom program designed to your specific needs and or brand requirements.

We offer complete Furniture, Fixtures and Equipment packages, which includes custom window coverings and top of the bed products.

We manufacture many of our own products.

We employ NCIDQ Certified Interior Designers, which assist in design and product innovations.

Throughout the history of Mill Distributors, management has always set standards of honesty and integrity for all employees to follow.

Mill Distributors, Inc. is committed to supplying the finest products and services needed to meet the needs of all our customers.
